Got it. That would be helpful, thank you. Can we do it this week?

Also, I wanted to schedule a planning meeting following the CSTAG and before the March CAG meeting. I'll check calendars and send a scheduler.

Thanks,
Shereen

We can organize a call with CDM and USACE to outline what we will be asking for. There isn't an outreach individual on our project team. My understanding is that the task manager would work within the company likely a graphics person to develop such an item.

Could someone please send me the outreach POC at CDM?

We want to see if we could develop a fact sheet on CSM soon.

Thanks!

Hey Shereen – Yes, we have contractor support for 17-mile and they have a task for support of such requests. CDM is our contractor.

Hi,

Another question: Is there contract support (CDM?) to develop fact sheets for the upper 9 work (like was developed for the lower 8.3)?

Thanks and hope to hear from you soon.

Hi,

I was wondering if there's room, could I join you on the tour on Feb 28?

I also plan to attend the public session with the CSTAG on Mar 1. Am I missing anything?

Thanks so much,
Shereen
